### Purpose

The intent of this agreement is to make clear the educational services to which you are entitled as an undergraduate non-matriculating student at DeVry. Academic requirements and your financial obligations are also covered within.

Please complete the following information for the classes you wish to take. Course descriptions are found in the academic catalog.

Course Title/Course Number/Credit Hours: \_\_\_\_\_

Course Title/Course Number/Credit Hours: \_\_\_\_\_

Course Title/Course Number/Credit Hours: \_\_\_\_\_

DeVry reserves the right to alter the number of credit or contact hours for reasons including, but not limited to, the following: natural occurrences beyond DeVry's control, holidays, special institutional activity days and registration days.

### Tuition/Fees

Tuition and fees for non-degree seeking high school students will be waived.

### Academic Credit

Non-matriculating students who wish to become degree candidates must meet regular admission requirements. If accepted, completed courses may apply toward a degree. This requires approval of the academic manager. Acceptance of transfer credit awarded by institutions other than DeVry is at the discretion of DeVry.

### General Information

DeVry reserves the right to discontinue the instruction of a student whose conduct is in its judgment unsatisfactory. Students who commit a breach of school rules or normal standards of good conduct will be dismissed. DeVry reserves the right to suspend or cancel instruction and to cancel a starting class or section if enrollment is insufficient. In this case, a refund of any money paid will be issued within 30 days of such notice. Applications for a forming class may be taken through the end of late registration only.

The term of this agreement is one semester. However, if a student's schooling is ongoing after the first semester with no interruptions, no new agreement need be signed, and the terms of this agreement are reaffirmed and applicable to the student and DeVry upon the student's enrollment for each consecutive subsequent semester and during the term thereof. **This agreement terminates when the student completes high school.** Students who do not register for a subsequent semester must execute an addendum to their enrollment agreement prior to resuming.

Except by any attached printed addenda to this agreement, written by DeVry and acknowledged by applicant, this agreement is not subject to oral or written modification from its printed form. This agreement supersedes and terminates any DeVry enrollment agreement you may have signed previously.

DeVry is an educational institution that admits academically qualified students without regard to gender, age, race, color, religion, sexual orientation, national origin, political affiliation or belief, or disability and affords them all rights, privileges, programs and opportunities generally available to students. DeVry does not discriminate on the basis of gender, age, race, color, religion, sexual orientation, national origin, political affiliation or belief, or disability in admissions, employment services, or access to its program and activities.

DeVry complies with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990. DeVry does not discriminate on the basis of disability. Persons wishing additional information about this policy or assistance to accommodate individual needs should contact General Counsel at DeVry University, 3005 Highland Parkway, Downers Grove, IL 60515-5799; 800-225-8000.

### Personally Identifiable Information\*

DeVry University is required to collect the social security number (SSN), gender, ethnicity and date of birth for a variety of legally mandated activities, including income tax reporting and administration of federally supported financial aid programs. Gender, ethnicity and date of birth are not used in determining admission. The SSN is not used as the student's primary identification.

DeVry University has adopted privacy policies and practices designed to protect students' personal information. Only information required to efficiently conduct our business and meet state and federal reporting requirements is collected. The information collected is only disclosed as permitted under the Family Educational Rights and Privacy Act of 1974 as amended (FERPA). DeVry's FERPA policy is printed in the student handbook and is available for review online or in the Student Services Office.

### Purchase of Texts and Supporting Material

*Textbooks and Supplies – Site-Based Students:* Costs for textbooks and supplies vary by program; the typical range for most programs is \$340 to \$970 per semester for full-time students; the average is \$655. For full-time students in the Computer Engineering Technology program, textbooks and supplies typically range from \$285 to \$1,190; the average is \$740. For full-time students in the Electronics Engineering Technology program, textbooks and supplies typically range from \$285 to \$1,515 per semester; the average is \$900. Costs are subject to change based on publishers' prices. Textbooks may be purchased at the school bookstore or from an outside source, but they must be those specified by DeVry.

*Textbooks and Supplies – Online students:* Textbook and supply costs vary by course. Required textbooks may be purchased through the online bookstore or from an outside source but must be those specified by DeVry. Most courses *require* electronic course materials, which may include tutorials, simulations, study guides, electronic versions of textbooks and other interactive study material. Students enrolled in these courses will be charged \$80 for the electronic materials; charges are nonrefundable after the add/drop period. If electronic versions of textbooks are included, hard-copy textbooks are no longer required but may be purchased for an additional cost.

In lieu of receiving rent from the operator of its bookstores, DeVry University receives commissions derived from the gross revenue collected by the bookstore operator from both on-campus and internet sales. These commissions are used to assist with expenses associated with the selection and ordering of textbooks and e-learning materials as well as the operating cost associated with providing campus bookstore space.

### Admission Requirements

A letter of recommendation is required. The academic manager will place documentation in the student's file that regular admissions requirements have been waived. Applicants are required to obtain the co-signature of a parent or legal guardian prior to admission.
